THE MAYOR'S CORNER

May 2014

Wow! The Spring Fling was a great success with more than 550 in attendance and the evening could not have gone any better. I would like to thank the Spring Fling Committee, the Volunteers and the City Staff for their efforts in making this event one of the best ever! The fireworks display was truly incredible. A special thanks to the Atlantis Country Club for their continued support and help with this event. Marti Rayl and Chef Chris and their staff did an amazing job with the food even though the line seemed to never slow down.

We are making a small policy change in our agenda posting process during Council Meetings, which is effective starting with the May 21st Council Meeting. In accordance with resolution No. 13-18, which passed in August 2013 providing for public participation rules and policies, anyone wishing to speak on a Resolution must prior to the start of the meeting complete a comment card listing the Resolution they would like to comment on. The City of Atlantis, Florida, welcomes comments from the public*, and will give them a reasonable opportunity to be heard on items placed on the agenda. For further information on agenda posting, please contact City Hall, pick up a copy at the meeting or look for

our posting on our website: http://www.atlantisfl.gov/Pages/AtlantisFL_CouncilAgendas

The Kintz Park recreation building renovation project is moving along according to plan. I am pleased that this project is nearly complete and park events can resume as scheduled. Also, the Estates Way road work has been approved and should begin shortly.

Don't forget, Mother's Day is Sunday May 11th this year! To all our Mom's "Happy Mother's Day".

Again, to our seasonal residents who are gearing up to head north for the summer, we wish you a happy, safe and healthy summer and look forward to seeing you again in the fall. Our police department requests that you add your home to the Dark House list. They will monitor your home periodically to help ensure the safety of your home. You can call 561-965-1700 or go online to <http://www.atlantisfl.gov>, and click the Police tab, then Security House Checks online form for the Dark Home Request Form.

Manager's Notes May 2014.

Let me first say a big THANK YOU! to everyone who participated in Spring Fling. From the morning Garden Tour to the closing Fireworks, the day was spectacular! The Atlantis Country Club and all the volunteers truly make this event the success that it is. A special thanks to Pat Matulis. She serves as advisor and sounding board as we plan the event, writes all of the publicity for the newsletter and then works tirelessly the day of the event making sure everybody has what they need. Our dedicated event coordinators, Cathy Nothnagle (garden tour), Maureen Sopourn (art show), Judy Wilkinson (tennis), Susan Methfessel (volunteers), Bobby Dicks (wristband sales) play an important role in the planning and execution of this event. My many thanks and deep expression of gratitude to all.

The Art Show was a sellout with some artists not able to participate due to a lack of space. Because the interest was overwhelming, we are discussing a Fall Art Show. The details are still being ironed out, perhaps in a November timeframe. If you are an Atlantis artist and wish to exhibit your work at a fall show please contact me now. This show looks to be a sellout as well. More information will be available as plans develop. Email your interest to me at mthornton@atlantisfl.gov.

On May 12, 2014, we will begin construction on the Atlantis Estates Way road project. This project includes demolition of the existing entrance and east islands, rebuilding the entrance roadway and the islands. The final phase of the project will be to mill and overlay the entire road. During construction traffic will be restricted to one lane at the entrance. More details will be provided to the surrounding residences once we get a final schedule from the contractor. We expect construction to last until late June. Residents should use caution in this area during construction. Once the roadwork is complete, the new landscaping will be placed in the islands.

We haven't had much rain lately, and some of our lawns are looking a little brown. Check your irrigation system and make sure it is set to run on the days allowed. We have all worked so hard for the past several months to insure the community is clean and neat. Take this extra step to keep your lawn thriving. Hurricane season is just around the corner. Now is the time to remove dead or dying vegetation and trim your trees.

As always, if you have questions or concerns I can be reached at City Hall at 561-965-1744 or by email at mthornton@atlantisfl.gov.

- a) Corrugated aluminum or other metallic shutters need not be painted, but must be properly maintained and uniform in appearance on the structure to which they are attached subject to the time limits set forth in subsection d. Below.
- b) The use of wood is permitted so long as the wood that is installed, hung, attached to a structure or used as storm shutters for a period of time in excess of thirty (30) consecutive days is painted to match the color of the walls or trim of the building, subject to the time limits set forth in subsection d. below.

POLICE DEPARTMENT NEWS

Chief Robert G. Mangold

Community Safety through Community Awareness and Involvement:

Crime Prevention Tip: Traveling Criminals - The National Association of Bunco Investigators website has identified over 60 cons and scams that are conducted by Travelling Criminals. These cons and scams also include distraction burglaries which occur in the Southeast Florida Region on a daily bases.

Some of the most popular and recent distraction burglaries that have been committed in Southeast Florida:

Acid Spill Scam

Subjects state they are from the water company and need to check the water quality (con their way into the home).

Subject "samples" the tap water (usually adds Alka-Seltzer into the cup of water).

The "sample" is accidentally spilled on the victims hands, and told it is acid.

Subject tells victim to remove her jewelry and wash her hands immediately. While victim is washing her hands, subjects flee with her jewelry.

Pest Control Scam

Subjects state they were sent by the HOA to take care of the ant/pest problem.

Subject #1 cons the victim out of the home while subject #2 enters into the home.

Subject #2 will take jewelry and cash from home.

Subjects flee the area.

Bondo Bandits (auto body/scratch and dent repair)

Subjects approach the victims (usually elderly) in parking lots of shopping centers.

Use the sales pitch of how they can fix a scratch or dent on the car for a relatively low price.

The repairs are substandard, and usually more damage is done to the car.

The price is usually inflated after the work is complete.

Subjects will use intimidation to obtain payment.

Cable Company Technician Impersonation Scam

Subjects knock on the door claiming to be from the cable company to check the cable box due to recent problems in the area.

The subject proceeds directly to the bedroom. Removes jewelry and leaves the residence before the homeowner can follow the subject.

Spring Fling 2014—

An afternoon that morphed into a Patio Party!

“Best ever!” “What a fantastic day!” “Wasn’t it fun to see the little kids having so much fun?” “Extra super fireworks!” “What a party!”

Those were some of the comments about our 5th annual Spring Fling. Once again, there were activities for everybody—a garden tour, an art show and sale, games and ice skating for the kids, tennis and chess tournaments, and a delicious buffet dinner. Valerie made the patio come alive at 5 o’clock with her great performance. Stan—where did he come from?—joined her on the stage, and the patio really rocked! Both young and “older” party-goers joined in the singing and dancing, only stopping to “ooh and aah” at the fireworks extravaganza at 8 o’clock. And the singing and dancing went on....

Thank you to all who made it happen—City Manager Mo Thornton and her staff, Chief Bob Mangold and our police officers, our “Friends of the City” who made financial contributions (see page 6), and the more than 550 people who joined in the festivities.

Special thanks go to all the volunteers who planned the day and made it run smoothly:

Pat Matulis for Publicity and Coordination;

Cathy Nothnagle for organizing the Garden Tour and to the residents who invited us into their gardens;

Maureen Sopourn for organizing the art show;

Jason and Jennifer Kane for making ice skating possible on an April day in Atlantis;

Judy Wilkinson and Coach Sherwin Anderson for organizing the tennis tournament;

Carolyn and John Schwan for organizing the chess tournament;

Vicki Rautbord for publicity;

Bobby Dicks and Susan Methfessel for getting together their teams of volunteers who sold wristbands and souvenirs, worked at the Garden Tour and/or during the buffet dinner: JC Dicks, Virginia Thomas, Gail Howell, Sue Wagner, Carolyn Schwan, Mary Murachanian, Patti McFawn, Joanne Evans, Rosemary Folino, Justine Rossi, Marty Romeo, Betty & Stewart Hurline, Paula & Alan Michelson, Norma Poretz, Mary Ann Pearson, Noreen Meyers, Maggie Sarubbi, Sam Burrow, Nicole Thornton, Priscilla Wilder, Nicholas Wilder, Dylan Berman, Victoria Gallo and Christopher Gallo.

And a **VERY BIG THANK YOU** to Marti Rayl, Chef Chris and the entire staff at Atlantis Country Club for their terrific work from morning through night—for preparing and serving outstanding food and beverages—all done with professionalism and personality!

Janet Rosenberg’s “Atlantis Jewelry By Tuesday Afternoons” group donated 20% of the proceeds from the Art Show to Harmony House.

See you next year!
Mark your calendars for our 6th annual Spring Fling!
